Is it not the duty of the American people, and especially of the churches to put a stop to this Sunday-school scandal and to these unnatural marriages?

### THIRD PARTY PROSPECTS.

The election in Alabama suggests the party movement will prove a failure State, and will disappoint both the hopes and the fears of the politicians.

It seems certain that the element which it has been supposed might produce a political revolution this year will be powerless in the South. If it was to succeed in upsetting old party lines in any Southern State it was likely to be in Alabams. Failing there, it is not at all probable it will break the solid South in any

Will it be equally powerless in the West? This cannot be known until after the election. But we have the experience of 1990 to judge by as to its effect in the cent of cost to the ice larons or it was Western States, and it does not seem probable that the element which completely revolutionized so many of those Impossible to regard it as a rebate given States two years ago can have spent its to the consumer for the purpose of easing strength so soon.

It would be interesting to know if the principal vitality in the West, and to day over the cost of the same, it was a good every variety of innocent amusements which. Feater, J. Feater, J Kansas, South Dakota and other States. The Maine thing in politics to-day year under the influence of the new moveseems to be the announcement that Mr. | ment it will come from the West and not from the direction of the South.

AN OFFICIAL OUTRAGE.

PETER BRENNAN, an old man seventy rears of age, was arrested two weeks ago in Brooklyn for intoxication. As he resisted, the smiable policeman who made the arrest clubbed him with sufficient beardless boy in a horse trade. This is liberality to break the small bones of his not only a horse on the official, but it hand and fracture four ribs on the right shows that the Western metropolis is still side and five on the left side of his body. Then he carried the old man to the police station and consigned him to a cerl. ### Your Vacation.

Take your vacation, if you take it at all, in company of your husband. Forego for once the fashionable resort, which he so detests. and go out camping or on a fishing trip with him. Leave your nerves at home, and if you take the children to the farm house or quiet little hotel, don't drag them along wherever you ago, but go out alone with your husband and be a comrade to him. blug college songs, row, ride horseback, tramp over the fields and, if you do get sunburnt, don't mind it, for you are brushing away the cobwebs from your married life, providing against future rouble and storing up gladness for days to

A vast number of these child-wives become widows long before they are grown to womanhood. They cannot marry again, but are consigned to a life of most painful degrada-

HIGH-CASTE BRAHMIN AND CHILD WIFE. Pundita Ramabai, a Hindoo woman, who has been to this country and enlisted many women in her work, is trying to remedy this latter condition of her sex. educate these young widows and open before them some sort of life that is not living

## England's Best Tennis-Player.

Miss Charlotte Dod is the champion female cunis-player of Great Britain. Miss Dod was only seventeen when she wrested the champlenship from Miss Maud Watson at Bath, and judging by the fact that she defeated

Mrs. lillyard at Wimtledon the other day. she is likely to remain the holder for some time. She is tall and muscular and remark-Here is a French bathing cress that looks golf, is proficient in rowing and skating, can

# Too Pretty to Use.

The very daintiest handkerchiefs are squares of silk musits, with a hem ball an och wide bemstitched about them. Then they are embroidered in out-of-door designs that here and there run over on to the hem in the most natural-looking way. Daisies, riolets, wheat heads and the like are used A very pretty one has no embreidery, save a couple of they butterflies in each of the corners.

## Cheap Housekeeping.

At a time when Rosambeau, actor at the Odeon Theatre, Paris, could not afford to give a supper to his children, this is how he persuaded them to go to bed without having anything to eat: · Here's a penny for each of you that will

do without his supper," he would say to them. They all accepted the bargain. Next morning they were as hubgry as wolves. Their

inther then called out : "Those that want their breakfast must pay He thus recovered his expenses and saved meat.

### Women Cyclists in Paris. In the fresh, early morning, when the

should be a small pressing-board. Get a weather is good, one finds the broad alleys of smooth piece of board about 10 by 30 inches; the Rois de Houlogne alive with veloce men bed ticking; then with a ricco of old the latter. But young French married ladies, financel and lastly with soft muslin. This lattersimply pinged on the under size so that it sport. Most of them do full justice to the can be removed when solled. Nait a loop of veloce tailors and hatters, and are at case on leather scurely to one end and hang where their steel horses. A scarty arrangement of dealer to save you a copy.

save solling either the bosom-board or the veiling, made up into a blouse and a short skirt, is just now the favorite material for

### Fancy Waist.

This fancy waist is of ivory white chiffee, with trimmings embroidered in pale pink dots.

A deep girdle is formed by six straps of narrow ribbon finished with bows; three The Gape Cure.

In certain affections of the throat, such as acute pharyngitis, estarrh of the Bustachian tube, with pain in the ear, a Swiss says that he obtains excellent results from making the patients yawn several times a day. It pro-duces, it seems, almost instantaneous relief; the symptoms rapidly subside, and the ear-

ache disappears. Frequently the affection is

cut short by this novel treatment. Yawning

listension of the muscles of the pharynx, con-

stituting a kind of massage, and under this

nfluence the cartilaginous portion of the

produces, as every one knows, a considerable

Eustachian tube contracts, expelling into the pharynx the mucosities there collected. Spinning Is Now the Fad.

Spinning is the latest fashionable occupation. A number of women are learning the art, and the antique spinning wheel is no longer a mere ornament. A square of linea which I wove myself " and decorated with embroidery is considered a proper thing to have about or to use as a gift. But madem selle particularly likes to be seen at her antaning wheel. It is a graceful, womanly pose. One never thinks of a man weaving a web of that sort, and one which shows off a pretty. figure and well-moulded hands and arms to great advantage.

# Household Hints.

The juice of ripe strawberries dropped into thick sweet cream is a gentle, cooling remedy or sunburn.

To purify the air of a newly painted room put several tubs of water in it and it will absorb much of the odor. For irsomnia, pillows are filled with hen

needles will be found emcacious.

lowers and bulos, or a mattress of pine

An ounce of clove pink petals infused in

three-quarters of a pint of pure alcohol, with a few verbena leaves, is a refreshing odor for the bath. The best way when hot grease has been spilled on a floor is to dash cold water over it

ous to harden it quickly and prevent it striking into the boards. ~~~ MENU.
